

1. **Name of Product:** Bioflavindex
2. **Product Category:** Respiratory
3. **Target Species:** Equine
4. **Description of Product:** Scientifically formulated powdered supplement comprising of a potent combination of antioxidants and natural bioflavonoids to support airway health.
5. **Composition:** Dextrose, Calcium Carbonate.

**6. Qualitative & Quantitative Composition:**

| Analytical Constituents                     | Per 25g / 1 oz.        |
|---------------------------------------------|------------------------|
| Calcium                                     | 6.60 %                 |
| Phosphorus                                  | 0.00 %                 |
| Sodium                                      | 0.00 %                 |
| Vitamin E Equivalent                        | 250 mg                 |
| <b>Vitamins</b>                             | <b>Per 25g / 1 oz.</b> |
| Vitamin K3                                  | 10 mg                  |
| <b>Natural Products Botanically Defined</b> | <b>Per 25g / 1 oz.</b> |
| Hesperidin Complex                          | 11,666 mg              |
| <b>Flavouring Compounds</b>                 | <b>Per 25g / 1 oz.</b> |
| Red Quebracho extract                       | 98 mg                  |
| Dry Grape Extract                           | 750 mg                 |

7. **Pack sizes / days' supply for adult horse:**

750g / 1.7 lbs = 30 days  
1.5kg / 3.3 lbs = 60 days

Scoop supplied.

*(Each scoop contains approx. 25g / 1 oz.)*
8. **Usage instructions:**

Give daily in feed.

**Horses & ponies > 300kg / 650 lbs:**  
Loading (first 7 days): 50g / 2 oz. (2 scoops)  
Maintenance: 25g / 1 oz. (1 scoop)

**Horses & ponies < 300kg / 650 lbs:**  
Loading (first 7 days): 25g / 1 oz. (1 scoop)  
Maintenance: 12.5g / ½ oz. (½ scoop)

## Usage instructions (cont.)

For best results begin supplementation 4-6 weeks before increasing exercise intensity and continue to use throughout horse's competitive career.

## 9. Storage:

Store below 25°C / 77°F in a dry place.  
Keep container closed when not in use.

## 10. Precautions / Warnings:

n/a

## 11. Label(s):
